

# BARRIER

## BARRIER

### Digestive Shield

**Helps protect against possible contaminated feed and hay without limiting the absorption of nutrients.**

BARRIER from AniMed™ provides your horse with state of the art natural ingredients scientifically engineered to protect against possible unseen harmful contaminants and the uncontrolled variations in the quality of hay and grain fed to horses.

- Effectively neutralizes most mycotoxins, including aflatoxin and fumonisin that may be present in hay or grain.
- Contains a functional carbohydrate that binds bad bacteria so they cannot attach to the gut walls.
- Prevents mycotoxins and bad bacteria from being absorbed into the blood stream.

**GUARANTEED ANALYSIS (per ounce):**  
Mannanligosaccharides 7000mg, Mycotoxin absorbent 7000mg, Vitamin C 550mg

**INGREDIENTS:** Brewers Dried Yeast, Dried Saccharomyces Cerevisiae Fermentation Solubles (mannanligosaccharides), Hydrolyzed Yeast, Processed Grain By-products, Hydrated Sodium Calcium Aluminosilicate (mycotoxin absorbent), Ascorbic Acid (Vitamin C) and Corn Starch

Available in a 2lb jar packaged with scoop for ease of administration.
